Description

If you fancy dipping your toes into motor homing without spending 10's of thousands this Autotrail Cheyenne 585 is ideal. Based on A Fiat Ducato which has only covered 48500 Miles this 5 berth motorhome is lovely and compact which feels very spacious for its size. The layout is a rear kitchen with full size cooker including a hob, grill and oven, 3 way fridge which operates on gas, 12v or 240v. The rear corner washroom has a sink, toilet and shower with various cupboards. Front lounge with side dinette and side sofa fitted with 3 sideways facing lap belts. For sleeping the side sofa slides out to create a double bed, whilst the dinette seats fold down to create a single bed. There is also an overcab double bed with safety net which can be used for sleeping or as an overhead storage space. Hot water is via a Carver Cascade heater which operates on gas or 240v electrics, whilst a Truma heater provides warm air via gas. This motorhome is ready to go traveling it has all cutlery, plates, cooking equipment, deckchairs, outside table, hook up lead, bike rack and rear ladder as well as an aerial. Approx vehicle dimensions are Length 5.95m, Width 2.30m, Height 3.0m. Weight 3200kg.
