Sports Seats

Description

Rarely do you find an unmolested genuine low mileage TT of this age and mileage. These TT's must soon become modern classics and if that is the case the only way they are going is up in value. This particular example has only had 4 owners from new and has full black leather, heated front seats, six speed manual gearbox, 4 wheel drive, 225 BHP, air conditioning, electric windows, electric mirrors, and a very comprehensive service history having been serviced at 20,20,23,27,28,29,30,34,35,37,39,40,44,48 and 56001 in October.
